

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

House Joint Memorial requires Aging and Long Term Care Department and the Department of Public Safety to conduct a feasibility study regarding implementation of a notification and broadcast alert program for missing and endangered senior citizens in New Mexico. The study is to include the cooperation of other agencies as appropriate. The Aging and Long Term Care Department and the Department of Public Safety are to report the results of the study, including legislative recommendations, to the appropriate interim legislative committee by November 1, 2005.

FISCAL IMPLICATIONS

Aging and Long Term Care Department and the Department of Public Safety will incur the cost of implementing the feasibility study.

ADMINISTRATIVE IMPLICATIONS

Aging and Long Term Care Department and the Department of Public Safety will need to assign staff to conduct the feasibility study.
